# Medicare Part D Plan Consultations

Medicare Open Enrollment is here.  
October 15 - December 7

During Open Enrollment, if you are enrolled in Medicare Part-D, you have the opportunity to select a new Medicare plan. Should you choose to switch, your new plan will go into effect on January 1st of the coming year.

Because plans change every year, your current plan may no longer be the cheapest plan for your medications. Let us help you find the best plan.

## We can answer your questions about Open Enrollment.

- 1 Which plans do and do not cover my medications?
- 2 Which plans have high premiums and deductibles?
- 3 What copays should I expect to pay in the new year?
- 4 What can I expect to pay out-of-pocket in the coming year, and when will I reach the 'donut-hole'?
- 5 Which plans have better ratings for customer service?
